

GIFT CONTRIBUTION FORM

Life-Study Fellowship Foundation is a nonprofit organization. There are no private owners or people who profit by the contributions received. All of the funds received go to cover the costs of preparing, printing and mailing our inspirational literature, paying our dedicated staff, and paying bills for the operating costs. All this costs a lot of money because we are trying to reach as many people as possible with our message about the importance of prayer.

Would you like to help Life-Study Fellowship Foundation continue its work of printing and mailing FAITH Magazine and encouraging people everywhere to lead lives of prayer and positive thoughts?

We know that you have very important money obligations that obviously have to come first in your life - food, clothing, housing, expenses for children and loved ones, health and medicine costs, and other very important needs. You and your needs must come first. But, if the type of work that Life-Study Fellowship and FAITH Magazine does is work you believe to be important, we would appreciate your help supporting Life-Study Fellowship.

We feel that our purpose of encouraging prayer for all people is extremely important. But we never want you to feel that Life-Study Fellowship is too demanding. Of course, we have to ask for contributions to "keep our doors open" so we can continue offering Prayer Help and sending FAITH Magazine to those who have come to love it so.

You may rest assured that when you write to us you will receive a very sincere "Thank You" for your valuable gift contribution. This is our special way of telling you how much we appreciate your friendship and your much-needed financial help so that Life-Study Fellowship can continue its work.

We strongly feel that you must first take care of your own needs. And then, if you are able to give something to Life-Study Fellowship, we will be very appreciative. For we believe that prayer is one of the most important things a person can do in life, and it is our mission to encourage as many people as we possibly can to turn to prayer and to lead prayerful lives. Only with continuing help can we continue to achieve this mission. **Thank you very much.**
