

Life-Study Fellowship's Prayer Journal

A Prayer Journal is a tool that can help us with our prayer time. If you want a place to record your prayers and God's answers to them, **Fellowship's 7 Day Prayer Journal** may be just what you need. It will help you stay focused during your prayer time and acts as a reminder for specific things you want to pray about.

Dear Member,

We are delighted to provide you with **Fellowship's 7 Day Prayer Journal**.

Each day, you can use the Journal to write:

- **What are your concerns?** Before you pray... write down your worries and things that bother you then add those to your prayer.
- **What are your blessings?** Before you pray... remember to thank the Lord for the good things going on in your life. Include these in your prayer. Sometimes our "blessings" can be a solution to our concerns.
- **Your thoughts after your prayer:** After your prayer, do take a moment to meditate. Listen for an answer. Write down your thoughts.
- Save your Journal to look back and reflect on your notes.

There are no official rules to follow! God simply wants to hear from you. He wants to hear what you are thinking; what you need, what you want, the desires of your heart. You can use your Prayer Journal for 7 consecutive days to start on any day of the week you want or just use it when you want. It does not have to be consecutive days.

Once the Journal is filled you can print out another blank Journal and start over again.

The Prayer Journal highlights common prayer needs:

1. Health
2. Prosperity
3. Family
4. Love & Friendship
5. Faith
6. Golden Year
7. Personal Wish
8. Optional Journal entry -- Use this for your own special need or to substitute for one of the previous days.

We have included a Write Back sheet. We'd be so happy if you would share something good that happened using your Prayer Journal! We randomly select a few to share with our Fellowship Family.
