

Fellowship's Three Morning Prayers to Brighten Your Day

We hope it will make you glad to open your eyes each morning and help you greet the new day with a smile. Please use these joyful morning Prayers to get yourself off to a happy start, and keep yourself feeling good all day long!

1. **Good Morning, Lord!** I marvel at Your influence and wisdom, knowing that even the smallest prayer reaches Your gracious Ears. As I begin this day, I seek Your divine guidance to illuminate my path. May the joy and hope I feel at dawn stay with me throughout the day. Grant me the serenity to reflect on Your kindness when impatience arises, and let Your love steady me in moments of anger. Teach me to cherish each moment as a precious gift from You. I am grateful for Your friendship and constant presence, which strengthen my faith every day. ~Amen.

2. **Good Morning, Lord!** What a privilege it is to live in Your wondrous world. If I had the gifts of song, I would compose symphonies of praise to praise Your boundless goodness. If I was blessed with artistic ability, I would craft masterpieces that depict the depth of Your love. And if the talent to weave words that were mine, I'd pen verses that sing of Your infinite kindness. But in my humble simplicity, I offer You this prayer, expressing my unwavering faith, enduring hope, and boundless joy in You! I am profoundly grateful for Your gentle nurturing and the spiritual comfort You bestow upon me by my side, watching over me with tender care. ~Amen

3. **Good Morning, Lord!** Good morning, Heavenly Father! As I awaken to this new day, I'm deeply grateful for Your abundant blessings. Anticipation fills my heart as I prepare to connect with You in prayer. Throughout the day, I feel Your divine presence beside me. When challenges arise, I seek Your guidance, finding solace in Your wisdom. With unwavering faith, I trust in Your boundless love, finding peace as the day ends, knowing You'll be with me through the night. Thank You, dear Lord, for Your constant presence and grace. With You as my guide, I face each day with courage and hope. ~Amen.
